Perfect pizza Stable-style

It has to be organic sourdough, made in our kitchen every morning. Then hand-stretched bases, liberally topped with our homemade sauce (made using Italian San Marzano tomatoes, no less). And the secret of our crispy crust? A scorching 350°C oven for a fleeting three minutes. When it comes to ingredients, we shop for the best – and mostly in the lovely South West. Our glorious mozzarella is from Brue Valley Farms in Glastonbury and our pepperoni from charcuterie aficionados Cobble Lane. Our ice cream is from the pastures of Callestick Farm in Cornwall.
