

We grew up with the vibrant flavours of Mexico as part of our everyday life. From crispy chicken flautas after school, or an Horchata from the market at the weekends to decadent moles at family celebrations.

We are delighted to share with you the real food of Mexico. A cuisine that is so unique and fascinating UNESCO recognises it as an Intangible Cultural Heritage of Humanity. We hope you enjoy it as much as we do.

Buen provecho. Edson + Natalie

You can compliment your Mexican brunch experience by adding unlimited house Margaritas, Sangria and Mexican beers for two hours.

You will need to order at least two plates per person from the menu to be able to add on this option. 30
