

CHRISTMAS EVENTS

THE VENUE

We are a bar and restaurant for people who care, because we care. We care about the standard of food & drinks on the menu and we care about the people who serve them.

We are just the kind of bar you would choose to spend your time in. And of course, we'll be tastefully decorated for Christmas!

THE EVENTS

We are pretty flexible around here, just tell us what you are after and we will make it happen. We have got a number of spaces to drink and dine, with some available to book for private hire.

Give us a call or drop in any time to have a chat about the best set up for your event.
