

Pre Order Packages

We have some great pre-order options on food and drinks.

It is often better value to order food and drinks in advance from our party packages. It's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party. Plus pre ordered food can be served after our kitchen is closed. Ideal for those who fancy a midnight snack.

Or if you prefer, just order from our menu on the night. Pre orders need to be placed a minimum of three days in advance.
