♦ WELCOME TO MATHURA PRIVATE DINING & EVENTS ♦

Atul Kochhar invents a new type of Indian fine dining experience, yet again. Inspired by flavours, key ingredients, methods of cooking from Iran, Afghanistan, Pakistan, Sri Lanka, Nepal, Bhutan, Bangladesh, China, Myanmar and blending them with the heritage and spice of India, Mathura will never stop creating and innovating from the infinite abundance of flavours – unique spicing as only Atul Kochhar can master.

Located in a beautiful building created in 1906 as Westminster Fire Station, Mathura honours the old and blends it with the new – creating new traditions and horizons for tomorrow, today.

Within this magnificent space of The Old Westminster Fire Station, Mathura has been exquisitely designed as a restaurant by the renowned Rosendale Design Studio.

Created to be the perfect host for events and parties, large and small, the space provides a breath taking space to compliment the menu, the range of drinks combined with world class service.

Whether it is for a drinks party with friends or a corporate event for 200, an intimate business dinner or a celebration around the Chef's Table with family, Mathura has a range of spaces and menus to simply delight and surprise...

Let the story unfold...

♦ THE WATCH ROOM ♦

seats 8

One of the only standing watch rooms left in the world...

A beautiful room with a fireplace that seats 8 comfortably in a unique private space – Step back in history and sit where the Fire Station Master would watch the horses and carts loaded with buckets of water go out, then time them to come back in.

In this room, famously Winston Churchill told the Fire Station leader to save Westminster Abbey during a WW2 bomb raid, when the Abbey was on fire... he shouted down the crackly telephone line...

'Save the Abbey whatever the cost'!

The Watch Room

The Kushan Dynasty Room

♦ THE KUSHAN DYNASTY ROOM ♦

seats 12 to 22

A stunning room featuring the iconic heritage listed tiles from 1906 when the Westminster Fire Station was built, and beautifully decorated with touches from India, and hints of Victorian London.

This room offers only the Mathura Tasting Menus when not being used for private hire. Unless booked for a private event, you can book for 1 person... or 5 or 10 or 22 people.

It boasts its own unique cocktail list, wine list and tasting menus that aren't available anywhere else in Mathura – a very special State Room.

The Chef's Table

◆ THE CHEF'S TABLE ◆ for 8 guests

A unique room next to the heart of Mathura, with views into the kitchen... Seating 8, it is a wonderful private space for a relaxed evening or a formal tasting menu.

◆ THE MATHURA RESTAURANT ◆ seats up to 90 guests

Featuring an open kitchen, watch the magic and enjoy the atmosphere of world class chefs working to create unique dishes from around India. A truly memorable space to host any event, with trolley service for various dishes, flaming flambés and delicious desserts... this space is alive with theatre.

MATHURA – TOTAL HIRE seats 170 guests...

... or more for a standing event. Make memories with a private hire of the entire Old Westminster Fire Station... a unique venue.
