We want our customers to enjoy food cooked to their preference. However, some meals served rare or lightly cooked may have a small risk of causing illness. Whilst we have put in place robust systems to protect our customers, the Food Standards Agency advises that the very young, elderly, pregnant or those suffering other illnesses are more at risk and should avoid lightly-cooked burgers. We are unable to guarantee that any menu item can be completely free of allergens, speak to a manager if you have any allergies before ordering.
