Our Commitment To Doing Good

As proud members of the **Sustainable Restaurant Association**, these are some of the ways we try to make a difference...

Our meat is only **sourced from small farms** committed to producing quality, **naturally reared animals** and maintaining high animal welfare standards.

We source our fish **sustainably** and **responsibly**, and ensure our supply chain is transparent.

Some of our cocktails use vodka from the Green Room distillery - for every bottle sold, the distillery gives **£1 to the charity BACKUP**, which supports those working in the theatre technical supply chain.

We donate **£1** from every plant-based cheeseburger sold to **StreetSmart homeless charity**.

This paper is made using **15%** of maize and corn by-products, **plus 40% recycled fibres** and **45% FSC certified virgin fibres**.

A **£1** donation is added to your bill for unlimited still and sparkling **BELU water**. **100%** of each donation goes to the **charity WaterAid**.
