

# PLATINUM JUBILEE AFTERNOON TEA

Afternoon Tea: £60 | Add Champagne £76

## BATTENBERG

*Classic pink and orange sponge with marzipan*

Famous for its distinctive chequered pattern, the Battenberg cake's origin is heavily debated. One theory suggests that it was produced for the 1884 wedding of Prince Philip's grandparents, Princess Victoria, and the German prince, Louis of Battenberg.

## COFFEE AND WALNUT CAKE

*Coffee infused cake with coffee buttercream icing and walnuts*

Of all the cakes you will find in an English tea room, the coffee and walnut cake sits proudly at the top of anyone's list. Enjoyed with a fresh pot of tea or coffee, this delight is royalty amongst its peers.

## LANSON TRIFLE

*Lanson rosé strawberry jelly with sponge, vanilla custard, Chantilly cream and strawberry gel*

Our interpretation of a trifle, the quintessential pudding that has graced British tables for centuries and has been a staple dessert at royal banquets and celebrations.

## LEMON DRIZZLE CAKE

*Lemon scented sponge cake with a rich mascarpone cream*

Lemon drizzle cake is a classic teatime treat and it is one of royal families' favourites. The dessert would get the first glaze when it was baked and the second glaze would be added at Windsor Castle before royal tea.

## CHOCOLATE TART

*Chocolate tart with milk chocolate crèmeux and custard*

Indulge yourself with one of Her Majesty's favourite sweet treats. Chocolate is a must have at high tea in the palace and it is one of the royal families' favourites.

---

## TEAS

---

*JING defines the modern tea ceremony, sourcing exceptional tasting teas, served with elegance, simplicity and confidence. Travelling thousands of miles each year, JING sources definitive examples of Asia's finest teas for the most sophisticated and discerning guests worldwide.*

### **GREEN TEA**

A great green tea is instantly accessible; offering vibrant grassy flavours, a sublime natural sweetness and a satisfying silky texture. Green tea has been the drink of connoisseurs in the East for centuries.

#### **JADE SWORD, Guizhou, China**

Clean, rounded, full and grassy with gentle seaweed complexities.  
Brisk and refreshing with a textured finish.

### **OOLONG TEA**

Many consider oolong teas to offer the most complete tea drinking experience as they combine the freshness of green teas and the complexity of black teas in perfect balance.

#### **PHOENIX HONEY ORCHID, Guangdong, China**

Intensely aromatic with a beautifully structured honeycomb texture. Fragrant notes of peach and citrus over a gently honeyed base and a refreshingly bitter-edged finish.

### **WHITE TEA**

White teas have a sweet flavour and soft texture without the vegetal quality of green tea. They are refreshing, thirst-quenching and easy-going on the palate. JING source white teas from Fujian Province, China - the home of the finest white teas.

#### **WHITE PEONY, Fujian, China**

Delightfully refreshing, rounded and full-flavoured,  
with sweet and fragrant notes of melon.

## **BLACK TEA**

JING's black teas are made from large leaf, offering a wealth of flavour which cannot be found in common black tea, made from the leaf fragments of inferior processing.

### **ASSAM BREAKFAST, India**

Statuesque and full-bodied Assam tea, with plenty of structure and malty richness.  
A rousing breakfast tea, perfect with or without milk.

### **DARJEELING 2ND FLUSH, India**

The quintessential afternoon tea; fragrant and refreshing with body and depth.  
Rounded and warm, with notes of Muscatel grape, hop and fresh citrus.

### **EARL GREY, Sri Lanka**

Refreshing and bright, with citrus freshness lifting the rich Ceylon tea base.  
A perfectly focused classic.

### **RED DRAGON, Yunnan, China**

Red Dragon is a unique and exceptional tea, processed by masters as a black tea using a tea cultivar traditionally used for oolong tea. This gives the tea a syrupy, rich texture, fruity aroma and an enticing flavour of dark berries, ginger, caramel and chocolate.

### **CHAI, Ceylon**

A perfect example of what Chai should be - a blend of fine whole leaf Ceylon tea, with strength enough to shine alongside cardamom pods, star anise and a delicate blend of exotic spices. The resulting tea has a spicy flavour and sweet aroma.

## HERBAL INFUSIONS

Our herbal range is created using freshly picked and dried whole herbs, flowers or fruits. Although not really “tea” without *Camellia sinensis* as their base, they are packed with flavour and aroma and are naturally caffeine-free.

### ROOIBOS, South Africa

Gently tangy notes of Seville orange combine with soft-textured hints of vanilla.

### WHOLE ROSEBUDS, Morocco

Beautiful and graceful, notes of sweet-edged rose with a refreshingly light and palate-cleansing finish.

### CHAMOMILE, Croatia

Whole organic chamomile flowers with summery aromas and wonderfully soothing mellow notes.

### BLACKCURRANT & HIBISCUS

Our blend of whole blackcurrants, summer berries and hibiscus shells offers a vivid and lively infusion bursting with berry flavours. Unlike many varieties you will find, which offer strong aroma but a weak taste, this infusion has a long and intensely fruity finish.

## FLOWERING TEA

*(Available at a supplement of £2.50 per pot)*

JING's flowering teas are made with green tea buds and beautiful aromatic flowers that instil the infusion with delicate floral scents. Our flowering teas are all individually hand-tied and served in a glass tea pot.

### FLOWERING JASMINE & LILY, Fujian, China

A broad base of green tea buds topped with crown of orange lily petals and a tower of jasmine flowers. A spectacular jasmine tea.

### FLOWERING OSMANTHUS, Fujian, China

A base of green tea buds topped with orange lily petals and bursts of orange osmanthus blossoms. Beautifully sweet with notes of apricot and mango.
