Full		
Partagas Serie P No. 2		60.00
ring gauge: 52, length: 6.1 inches/15.60 cm		

## Our Cigar Range

**Hoyo de Monterrey**, founded in 1865 by Jose Gener, produce cigars that are light in flavour and ideal for the connoisseur and beginner alike. The Epicure #2 is a 'Robusto' and is perhaps the best-known size within the brand. The Petit Robusto is a very fashionable vitola (size) because of its heavy ring gauge but relatively short smoking time.

**H.Upmann** was originally a German banker who enjoyed cigars so much that he moved to Cuba and opened a factory in 1844 as well as a bank. Fortunately, his cigars were much more popular than his bank (which closed down) and are of a light to medium flavour. The Junior, a 'Cadete' is an ideal cigar for the novice or after a light lunch and the Magnum 46, a 'Corona Gorda' is slightly fuller in style.

**Romeo y Julieta** is named after Shakespeare's tragic romance, due to the popularity of the story with the Torcedors (rollers) who are read to whilst they work. The cigars are medium in flavour and forever linked to Winston Churchill after his visit to the factory in the 1940s. The Petit Corona is a 'Mareva' and the Churchill is a 'Julieta #2' vitola..

**Montecristo**, launched in 1935 and perhaps the best-known Havana, was named after Alexandre Dumas' novel the Count of Montecristo. These cigars are a medium to full flavour. The Edmundo and Petit Edmundo's refer to the main character in the book and the #2 is a 'Piramide' and is one of the top cigars in the world.

**Partagas**, still operating from its original factory since 1845, is a very full flavoured brand. As with all Havanas, the tobacco is grown in the Vuelta Abajo region of Cuba to the west of Havana which has the best climate and soil in which to grow the famous tobaccos. The Series D#4 is a 'Robusto' and the Series P#2 is a 'Piramide'.
