RG Recipe without intentional gluten ingredients

RG Recipe without intentional gluten ingredients available on request

Due to our cooking processes and kitchen set up there is a potential risk of cross-contamination of allergens. This includes our recipes without intentional gluten ingredients for our pizzas bases and pastas, and any items which are deep fried (highlighted with an *). Therefore these may not be suitable for those with severe allergies or strict dietary requirements. 2000kcal is the recommended daily intake for adults, calorie needs vary by individual.

MANDRAROSSA

A sip of Sicily

For over 20 years Mandrarossa has demonstrated just how exciting and innovative Sicily's wines can be. The Mandrarossa wines come from a range of very diverse areas across the island. Their vineyards are organically farmed and planted with 32 different grape varieties. We have selected two grapes to share with you that are indigenous to Sicily, Zibbibo and Nero d'Avola.

WHITE WINE 175ml 250ml Bottle

WAR ON STRAWS

We are playing our part in reducing the amount of waste plastic that is building up in our seas and oceans around the world and are proud to offer biodegradable straws with our drinks. If you would like a straw with your drink, please ask.

ALLERGENS

Every time you visit, please advise your server of any special dietary requirements, including intolerances and allergies and they will provide you with our allergen information. Whilst we do our best to reduce the risk of cross contamination in our restaurants and bars, we CANNOT guarantee that any of our dishes and drinks are free from allergens.

COCKTAIL POLICY

We are proud to stay true to the principles of professional bartending and as such we free pour all cocktails in accordance with the weights and measures act (1985). If you can't find your favourite cocktail on our menu, please ask and our skilled bartenders will be more than happy to make your favourite tipples on request.

CALORIES

2000kcal is the recommended daily intake for adults, calorie needs vary by individual.
