

# marsha

We've lovingly crafted this menu by trying to use as much of the chicken as we can - part of our commitment to minimising waste. We exclusively use higher welfare, free roaming chickens from the Soanes Poultry family farm in Yorkshire. Soanes is a Halal-certified supplier

## **Our commitment to doing good**

These are some of the ways we try to make a difference...

We crafted this menu to ensure as much of the chicken is used as possible, so that as little as possible of this mighty bird goes to waste.

We buy chickens from the Soanes family farm in Yorkshire, where they're reared to the highest welfare standards.

This paper is made using 15% of almond by-products, plus 40% recycled fibres and 45% FSC certified virgin fibres.

A £1 donation is added to your bill for unlimited still and sparkling BELU water.  
100% of each donation goes to the BELU Social Enterprise.

All of the discretionary 12.5% service charge added to the bill goes straight to our team.

£1 from every 'Marsha's Vegan Burger' sold goes to Streetsmart,  
the homeless charity.
