

AMARU

SICAN

COCKTAILS & SPIRITS

*In the depth of the Sican Temple lies Amaru.
A Serpant God with the wings of an Eagle, feet of a hawk, body of a
snake and the speed of the Wind.
Amaruca transcends boundaries to and from the spiritual realm and
the subterranean world taking us from one World to another.*

*These Dragon's Elixirs are blends of spirits, fruits and natural sugars
from the lost Sican civilization; inspired by Peruvian and Japanese
cultures for the true Sican flavour.*
