# COOL AS F\*CK COCKTAILS IN THE SECOND CITY

*Join us on a spiritous stroll through Birmingham with our day to night drinking compendium.*

*Take in the sights and sounds, people and places that have influenced our cocktails and get slightly toasted on the journey. Bostin'.*

@GASSTSOCIAL

**BOTANICAL GARDENS  
ALCOHOL FREE 0.0%**

One of Birmingham's most famous beauty spots; leafy, peaceful, tranquil.

Apparently.

We've never been, it's not really our bag tbh.

But if herbs and botanicals are your thing, try this super refreshing, alcohol free spritz combining...

**LYRES LONDON DRY SPIRIT WITH  
FRESH MINT, CUCUMBER & KIWI.**

**VENETIAN SPRITZ**

"Red red wine, you make me feel so fine. You keep me rockin' all of the time" and if you're not hearing UB40 singing in your head right now, then you're doing Birmingham all wrong.

This is a punchy sangria-style serve with

**STARLINO ROSA  
APERITIVO,  
PINK GRAPEFRUIT GIN,  
HIBISCUS TONIC**

and - you guessed it - red, red wine.

CARAFE: 24.00 (5 glasses)

More canals than Venice, yeah?

If you haven't heard a Brummie spout this random fact yet, are you even in **BIRMINGHAM?**

Featuring...

**SELECT BLOOD  
ORANGE  
APERITIVO,  
PROSECCO & SODA,**  
it's our lazy afternoon drink of choice.

**RED RED WINE**

Definitely one of the city's sexier exports, all the girls love a bit of Duran Duran.

Unfortunately, Simon Le Bon isn't available to serve you this delicious blend of homemade

**STRAWBERRY  
CORDIAL,  
CHAMBERYZETTE &  
PROSECCO.**

But don't worry, we'll make sure we capture the moment!

**CHEERS!**

**GIRLS ON FILM**

**FLOOZIE'S FIZZ**

9.50

*This cosmo concoction was created by our very own*

**MR. BIG.**

*And just like that, there's...*

**CANDYFLOSS  
SYRUP, VODKA,  
TRIPLE SEC &  
CRANBERRY.**

**SEX IN THE  
SECOND CITY**

*After many years, our famous city centre landmark is back in her jacuzzi and the local kids are already chucking in the bubble bath...*

*Our tribute to Brum's famous Floozie in the Jacuzzi is all about* **BUBBLES.**

*Sauvignon Blanc infused with* **PASSIONFRUIT TEA,  
VODKA & VANILLA** *served fizzy with passionfruit  
flavoured foam.*

It's a road in Stirchley.  
It's the name of our  
new train station.  
It's the only pineapple  
reference we came up with.

Anyway, here's our  
pina colada;

**SMITH & CROSS  
JAMAICAN RUM,  
MALIBU,  
PINEAPPLE,  
DEMERARA SYRUP,  
LIME & COCONUT  
CREAM.**

**PINEAPPLE ROAD**

**BALTIDA**

You come to Brum, you eat  
Balti.

**IT'S THE LAW.**

Alternatively, you could  
order our favourite cocktail  
with **BALTI SPICE  
INFUSED RUM,  
MANGO,  
COCONUT,  
CHILLI & LIME.**

Imagine a  
Brazilian Batida but  
Birmingham style...

**YOU ONLY GET AN  
"OO" WITH MOONSHINE**

You thought you only got  
an "oo" with Typhoo?

**YOU'D BE RIGHT!**

We've taken Birmingham's famous  
tea and spiked it with flavours of  
the Deep South.

Think **SWEET TEA,  
PEACH, LEMON**  
and a dangerous dose of

**WHITE DOG WHISKEY**

Generations of Brummies have  
partied hard at the Custard Factory -  
but does anyone know that it was  
actually a factory?  
That made custard?

True story.

**SLINGSBY RHUBARB  
GIN,  
RHUBARB CORDIAL,  
STRAWBERRY &  
CUSTARD FOAM.**

**RHUBARB & CUSTARD**

ESPRESSO MARTINI**  
ALCOHOL FREE 0.0%

*This one will wake you up, but  
definitely not  
F\*CK YOU UP.*

*The world famous espresso  
martini, with all the flavours of  
a Cadbury's Whole Nut yet  
none of the original martini  
booze.*

**FRESH ESPRESSO,  
LYRE'S COFFEE  
ORIGINALE,  
LYRE'S AMARETTI  
SPIRIT &  
HAZELNUT SYRUP.**

**DRY AS BOURNVILLE**  
LOW ALCOHOL 0.5%

*Oh Bournville. Beautiful to look  
at but you can't get a proper  
drink for miles.  
Shame.*

*If you're deliberately swerving  
the booze for any reason, this  
may be for you.*

*A sober twist on a*  
**CHOCOLATE RUM  
OLD FASHIONED**

**LYRE'S SPICED  
CANE SPIRIT,  
ANGOSTURA  
BITTERS &  
CHOCOLATE SYRUP.**

**CLEARLY A CUP & A HALF**

*Gas Street Social brings you a homage to arguably Birmingham's most  
famous and beloved export. Sit down Jasper Carrott, we're talking about  
Cadbury's Dairy Milk.*

**VODKA** infused with **CACAO NIBS,**  
**CHOCOLATE WINE & CHOCOLATE LIQUEUR**  
*with beautifully creamy Cadbury's chocolate milk.*

*If you even like chocolate a little bit, you'll clearly LOVE this.*

## LEGS ELEVEN

We've pimped your favourite

## PASSION FRUIT MARTINI with a mini bottle of PROSECCO & FIREWORKS!

TWO TO SHARE - OR DON'T - WE WON'T JUDGE.  
(Any reference to famous local strip clubs is purely coincidental).

Who's gone missing?  
Just the booze in this  
delicious rhubarb sour.

LYRES AMERICAN  
MALT,  
MR FITZPATRICK'S  
RHUBARB &

## BRUM RUNNER

A nod to the famous  
1980's Broad Street  
institution, The Rum  
Runner club, frequented by  
the likes of Duran Duran  
& Black Sabbath.

The Rum Runner also  
happens to be a delicious  
tiki cocktail originating  
from Florida so here's our  
spin - **WHITE RUM,**  
**BANANA,**  
**PINEAPPLE,**  
**BLACKBERRY &**  
**GRENADINE.**

And hey, it's summer, so enjoy our banana & rum ice lolly on the side.

## BULL IN A CHINA SHOP

Our ode to our famous Bullring - formerly the site of the corn markets in years gone by. We're taking this tenuous link & running with it...

This boozy blend of corn heavy **BOURBON & CORN LIQUEUR WITH SWEET VERMOUTH & CAMPARI** means this delicate China cup should be

**HANDLED WITH CARE...**
