Do you have any allergies?

Full allergen information is available for all dishes. Please ask a team member before you order your food and drink, as menus do not list all ingredients. We have taken all reasonable steps to avoid the unintentional presence of allergens. However, we cannot fully guarantee that products are '100% free from' allergens, owing to cross-contamination, as we do not have specific allergen-free zones in our kitchens; therefore, it is not possible to fully guarantee allergen separation. Even if you have eaten a dish previously, please inform staff of any food allergies before placing your order, so that every precaution may be taken in the kitchen to prevent cross-contamination. We cannot guarantee that any dishes are free from nut traces. Fish and poultry dishes may contain bones and/or shell. All weights are approximate uncooked. Ingredients are based on standard product formulations, variations may occur, and calories stated (excluding drinks options) are subject to change.
