THE Bermondsey Bierkeller

Draught Beer

**PAULANER** – Established in the early 17th century by the Paulaner monks, the brewery caused quite a splash with its first beer, a strong bock called Salvator, was so delicious and successful that other local breweries wrote to the council asking for them to restrict its sale to save others from closing. Now they are one of the largest breweries in Germany and continuing to brew their beer in the heart of Munich drawing the soft water and brewing every beer to the Reinheitsgebot (German Purity Law).

**HACKER-PSCHORR** – The history of Munich's Hacker-Pschorr goes all the way back to 1417 and even plays a leading role in the foundation of Oktoberfest, when Prince Ludwig I of Bavaria asked them to brew a special beer for his Wedding in 1810. That party became the annual celebration, and the festival is still held on land donated by Joseph Pschorr who was brewmaster at the time.

<b>PAULANER MUNICH HELLES</b> <i>No one makes lagers like the Germans, and Munich's historic Paulaner Brewery makes some of the best. This crisp helles starts malty sweet but dries out as the hoppy, biscuit finish takes over. It's made with all Bavarian ingredients, including hallertau, a nobel German hop used in lagers all over the world.</i>	4.9%	£3.60	£6.55	£13.00
<b>ABK WEISSBIER</b> <i>Easy Drinking wheat beer, with caramel and biscuit undertones and a bitter finish. And like all wheat beers subtle hints of banana throughout.</i>	5.3%	£3.90	£6.85	£13.65
<b>HACKER PSCHORR MUNICH GOLD</b> <i>An export Helles from one of the most historic breweries in the world, brewed in accordance with the German purity law, this beer is a 5.5% golden lager with a lovely bready aroma with a lemon-like edge. It has a smooth feel and crisp hopped finish.</i>	5.5%	£3.90	£6.85	£13.65
<b>HACKER PSCHORR ANNO 1417</b> <i>This yeasty, earthy naturally hazy lager was originally offered up to brewery visitors directly from their storage cellar. This beer is untreated, unfiltered beer with yeast left in, just as before the introduction of filtration in the 19th Century.</i>	5.5%	£3.90	£6.85	£13.65
<b>ABK HELL</b> <i>Light, crisp and refreshing. This multi-award-winning beer has a full-bodied grain taste with green apple and light but persistent hints of pine and herbs. Light bitterness all the way through to the finish.</i>	5.0%	£3.70	£6.55	£13.00
<b>BERMONDSEY BRAVO</b> <i>Our own special house pilsner, is a clean, crisp, easy drinking lager that slips down easy and will always have you reaching for a second.</i>	4.2%	£3.70	£6.55	£13.00
<b>BERMONDSEY BLASS</b> <i>A specially brewed house pale ale, the aroma of Pale Ale is a blend of stunning citrus notes, juicy tropical fruits and fresh picked hops. Beer & Cider Bottles

	ABV	BOTTLE
<b>FLENSBURGER</b> <i>Pours a brilliant yellow colour, almost gold with a medium, fast diminishing White head. Aroma is typical of northern German pilsners: grassy, grainy and basically full of dry malt character and tight herbal hops. Not complex at all but pleasing. Flavour is good, mildly bitter with some sweetness on the edges. A slight touch of caramel over a mainly lemongrass character.</i>	4.8%	£5.80
<b>FRUH KOLSCH</b> <i>A style distinctive to Cologne, the name Kolsch is protected by law so that only beers brewed in and around the city can bear the name. A dangerously drinkable beer with an unsurpassed balance in Kolsch beer of malt and soft delicate hops. Pale gold in colour with a good lasting head, the hoppy, dry finish is from using Hallertau and Tettnang hops. Pale lemony gold in colour with a pure white lasting head, the aroma of Fruh Kolsch is lightly fruity with some flowery hops. Taste is very clean, a result unlike normal ales, of cold conditioning. Fresh, with just a touch of bitter hops.</i>	4.8%	£6.95
<b>AUGUSTINER HELLES</b> <i>Quite simply one of the best lagers in the world. Made according to the German Purity law its made with all Bavarian hops and malt, then given a long secondary fermentation to make for a crisp, smooth beer with a lightly hoppy finish. It's the ultimate summer beer and absurdly drinkable.</i>	5.2%	£6.95
<b>AUGUSTINER HEFE WEISSE</b> <i>Weissbier from the Lendgandary Augustiner-Brau. The amber-coloured wheat beer, brewed from carefully selected raw materials using tried and tested methods. In bottle fermentation, stored until the top maturity in the brewery vaulted cellars and carefully cared for, gives this beer its freshness and fine flavour.</i>	5.4%	£6.95
<b>MONGOZO PILSNER (GF)</b> <i>A gluten-free lager that lacks nothing but gluten – biscuity and lemony with a refreshing finish.</i>	5.0%	£6.25
