

BANDRA BHAI

The Smugglers Cocktail Bar
Fitzrovia

THE STORY

Bandra - once an old,
predominantly catholic fishing
village in Bombay, now a thriving
urban neighbourhood.

Bhai - translated as a brother
in hindi, also street slang for
gangster.

Until the early 90s, India was a
closed economy. Limited items were
available to buy and imported
goods were scarce.

This created a thriving black
market and a ring of "smugglers"
who could get you everything from
exotic malt whisky, gold watches
or Japanese televisions to all
kinds of other illicit stuff, if
you knew how to get to them. Often
there were fronts for these dodgy
dealings, sometimes posing as a
photo studio or even sexologists.

Bandra Bhai is our tongue in
cheek tribute to smuggler's all
cash operation back in the day
