GLUTEN AT WAHACA

We've designed this menu to help you choose dishes based on your sensitivity to The Big G.

OUR KITCHEN POLICY

While we make every possible effort to avoid cross-contamination of ingredients, it is not a factory production environment and we cannot guarantee your dishes will not have come into contact with a gluten-based product.

If you are at all concerned please notify a manager who will explain our procedures and do anything we can to go the extra mile.

FOR THOSE WITH Milder GLUTEN SENSITIVITY

Some dishes – whilst not containing any gluten in their ingredients – are cooked in our fryers. Whilst our fryers are cleaned and filled with fresh oil regularly, they will have also been used to cook products containing gluten during a service. Some dishes also contain ingredients that our suppliers cannot guarantee contain no traces of gluten as a result of their production environment.

Dishes marked with a black dot (●) should be avoided by people with coeliac disease or if this level of cross contamination may affect you.

If the deep-fried element can be removed from the dish on request, it is marked with a blue dot (●).

Adults need around 2000kcal per day
