Santa Fosca Prosecco NV, Italy 8 / 42  
*A premium extra-dry DOC Prosecco with soft bubbles, flavours of green apple, pear & a hint of honeysuckle..*

Emile Beyer Crémant d'Alsace NV, France 49  
*Traditional method sparkling from Alsace*

Louis Dornier NV, Champagne 65  
*Light and fresh with hints of lemon on the nose*

Coates & Seely Brut NV, Hampshire 12.7 / 70  
*A superb English sparkling from a tiny producer. All the character of a very fancy Champagne. We absolutely love this.*

Exton Park RB|32 Brut NV, Hampshire 77  
*Bone dry with racy acidity. Notes of green apple & citrus on the nose, with white pepper, minerality, & a lengthy finish.*

Veuve Cliquot Brut NV, Champagne 15.2 / 85  
*One of the very best Grand Marque Champagnes.*

Laurent-Perrier Ultra Brut NV, Champagne 116  
*Super-dry due to no added sugar in the dosage, this is Champagne in it's naked form. Intense and complex on the nose, with citrus, white fruit and honeysuckle flavours, it has a distinctive liveliness on the palate & reveals light, floral flavours*

Moët & Chandon Grand Vintage 2013, Champagne 130  
*The lateness of the 2013 growing season meant that M&C were picking grapes in October, but the House turned in a magnificent wine against the odds, achieving the best balance between acidity & alcohol of any Moët vintage in the past 60 years!*

Veuve Cliquot Brut 2012, Champagne 140  
*The 2012 weather was challenging but created some stunning Champagne. The winter brought frosts and hail which damaged the early stages of bud burst, resulting in low yields, but August & September were very warm, helping to give the grapes a stunning maturity.*

Krug Grande Cuvée NV 265  
*Champagne Number 1 is the fullest expression of Champagne, re-created every year, regardless of annual climate variations. A blend of over 120 different wines from more than 10 different years.*

## FIZZ MAGNUMS

1500ml btl

*Champagne is often said to age better in magnum, maturing more slowly due to the ratio between the volume of wine and the surface area of the lees its in contact with. This is said to create a more complex, mature and harmonious flavour. Perhaps more importantly, it just looks much cooler.*
