MODERN IRISH HOSPITALITY

AT HOMEBOY WE AIM  
TO BRING THE BEST OF  
WARM LAID-BACK IRISH  
HOSPITALITY.

HOME COMFORTS PAIRED  
WITH DELICIOUS DRINKS  
AND PLAYFUL SINFUL  
FOOD TO A SOUNDTRACK  
OF HIP-HOP AND R'N'B.  
MODERN IRISH  
HOSPITALITY WITHOUT  
THE TWEE.

**Hospitality is at the heart of Irish culture.** Hundreds of years ago, a set of civil laws governed everyday life in Ireland. Hospitality was a big part of this. If a traveller was to seek hospitality, they had to be extended that courtesy which meant offering 4 key actions: a warm meal, drink, entertainment and a warm bed. The only payment the home could take for this would be stories of the traveller's journey.

We want to live up to that great culture embedded in the Irish psyche. We will offer 3 of the above extensions of hospitality, however, we will take a more contemporary form of payment.

WE PUT THE "HOME" IN  
HOMEBOY!
