# GETTING THERE

We are located in Colechurch House on London Bridge Walk. It's the walkway above Tooley Street and adjacent to the big needle statue. Look up and you'll see our pergolas and fairy lights at night.

Duke Street Hill and Tooley Street are the nearest exits if getting off at London Bridge station. Take a left and head to London Bridge Walk.

Once on London Bridge Walk look for the 'On Your Bike' cycle shop. We are a few doors down behind the double doors with Beefeaters.

We are located six stories up without lift access, please bear this in mind regarding accessibility.
