PICPOUL DE PINET

RESERVE DE LA ROQUEMOLIERE

£33.00

Languedoc-Roussillon, France

The local translation for Picpoul is "lip stinging," a nod to the vivacious acidity these wines are known for. Wafts of sea-breeze mingle with delightful notes of citrus, appleskin and herbs, this wine was made to pair with oysters from the nearby Étang de Thau, but we find they work equally as well with Scottish Oysters...

Named for winemaker Matteo Ascheri's mother, as it is her favourite wine that he makes. Thin-skinned Cortese, the white grape that makes Gavi, releases the aromas of white peach, flicks the nose with wild herb, then settles on the tongue in a swirl of apple, lemon and melon.
