THE HAIRY LEMON

HAIRY LEMON
This "mysterious" Pub was christened in memory of one of Dublin's great characters who most likely got his name from his odd appearance!

His face was lemon-shaped with the complexion

of his skin akin to that particular fruit, and stubble resembling that which grows on a gooseberry.

"Hairy" was to be seen roaming the streets of Dublin in the 1940's, cat ching stray dogs for the police!
