KIDS'N'SUSHI

Is it ever too early to learn some serious sushi skills? Never!

Time to get sticky little fingers rolling makis and building their own nigiris. We have classes available from 40 per person in several restaurants for 8-12-year-olds.

Your little ones will not only leave with knowledge and sushi, but they will also receive a goodie bag with a certificate, Japanese numbers sheet, chocolate fish and a bandana.

Feel like you're missing out? We also offer Adult Sushi Masterclasses ideal for team building, corporate events, birthdays and other special occasions, with two types of class starting from 55 per person. Contact us at reservations@sticksnsushi.com for more information.
