

We Wanna Be Better
Hosts Than Most

It makes little sense talking about our food.
It better be delicious.
It better taste good.
It better be seductive.
After all that's why you are here, right?
And that's why we are in Copenhagen, London and Berlin.
So let's talk about hosting.
If we can share a moment – while you and your company
share a meal.
And if that little moment becomes worth remembering.
Then it all makes sense.
In a world on short supply of just that.

"I grew up in the kitchens of Sticks'n'Sushi and learned from an early age to appreciate perfect rice and miso soup. The core principles of precision and consistency in our kitchens are rooted in mastering simple, fundamental elements like these first – everything else is built on this foundation."

— Chef Sune
