# A Taste of Home

At Farrands, our team has thoughtfully curated a distinctive cocktail menu for you to enjoy. We refresh our signature offerings every six months, and this season, we've drawn inspiration from the places we each call home.

Take The Wrong Dog, for example — a playful nod to Jill's mischievous family dog, Poppy, who earned her nickname by being delightfully disobedient. Despite her antics, Poppy was cherished for 14 wonderful years and treated every morning to her favourite indulgence: a slice of marmalade toast.

Each cocktail has its own story, and we'd love to share them with you — don't hesitate to ask our team about the inspiration behind your drink.
