

A close-up photograph of two glasses. The glass in the foreground is a short, wide tumbler filled with a light-colored, bubbly beverage. It is covered in fine droplets of condensation. A single lime wedge is perched on the rim of the glass. The glass in the background is a taller, more elegant glass, also containing a similar bubbly drink and covered in condensation. The lighting is warm and directional, creating strong highlights and shadows that emphasize the textures of the glass and the liquid.

THE BLACK HORSE
