DRINKS MENU

The Princess of Wales in Primrose Hill is a vibrant gastro pub in the heart of London. Specialising in house-infused spirits & cocktails. These infusions are created in our lab- kitchen and go through a variety of processes which allow the alcohol to infuse with various botanicals, plants, fruits & spices thereby creating a unique flavour.

During the first lockdown we went a step further and developed our range of Spirits of Ecstasy, a ready to drink cocktail creation. Taking the essence of our most popular cocktails and turning them into a hard seltzer, low calorie, longer version.

At the Princess of Wales, we also serve a wide range of craft beer which is regularly rotated to offer our customers the opportunities to taste the latest varieties. Including our own Princess of Wales lager, stout and cask ale brewed in our cellar in Marylebone.

For wine lovers we have extensive grape varieties to suit every palate, with an exclusive list carefully crafted by our dedicated wine suppliers Bibendum.

To top it all off and soak up some of that liquor we make some fantastic food, skilfully crafted by our immensely talented, and innovative, Head Chef. Using only the finest organic products and the knowledge gained from a lifetime of being at the top of his game.

Our expertly crafted cocktails and handmade liquor, paired with delicious food made with only the freshest ingredients are the reason we are the market leaders. Our goal is to help you create an outstanding and flawless memory.
