

A warm and inviting outdoor dining space, likely a rooftop terrace or covered patio, decorated for winter. The ceiling is adorned with colorful, abstract fabric panels in shades of blue, red, and yellow, and strung with warm white LED lights. A large, illuminated star decoration hangs from the ceiling. The floor is made of dark wood planks. In the foreground, there are wooden tables and chairs. To the left, a small wooden stove with a fire burning inside sits on a raised platform. Two tall, decorated Christmas trees with warm white lights are positioned on the right and left sides of the area. Large windows in the background show a view of a city at night.
