## Testimonial

"Absolutely incredible experience from start to finish!"

We booked the heated marquee for our company's Christmas party, and it completely exceeded our expectations. The events team was brilliant to work with, they listened closely to our vision and helped us plan a completely bespoke evening, down to every last detail. From the delicious food prepared on-site to the full-service bar and the giant HD screen showcasing our end-of-year highlights, everything ran seamlessly.

We had just under 300 guests for a seated dinner followed by a standing party, and the space handled both perfectly!
