-INTRODUCTION-

Welcome to the Blind Pig, *Dublin's longest-running speakeasy*, blues & jazz cocktail bar.

We don't have *rules* per se, but we do have some tips to enjoy our service and the venue.

Please make sure to mind the step on the way out.

The nature of our *mixed drinks* is spirit-forward and robustly flavoured. If our drinks feel too strong, it's because everywhere else has given you half-measures.

We are a live music venue, *proudly supporting* the best of the blues & jazz that Ireland hosts, so it gets loud sometimes, which is great for blocking out the other tables' terrible conversation.

We are *table service* only, so relax, get cosy, and we'll look after you.

It's seating only too. *No standing*. Please ask us if you wish to have friends join your party, and we'll try to find space.

We pride ourselves on our knowledge of mixed drinks and original Blind Pig creations, please don't be afraid to *ask us for advice* or a recommendation. If we carry the ingredients, we'll make it.
