## Coravin White Wine

*Glass & Bottle*

*A Coravin ensures you'll experience the wine just as the winemaker intended.  
By employing argon, an inert gas, to replace the internal air in the bottle, it perfectly  
preserves the freshness and flavour.*

| White                                                                                                   | 125ml | 750ml |
|---------------------------------------------------------------------------------------------------------|-------|-------|
| <b>Pinot Gris 'Katz'</b><br>Domaine Klur<br><i>Alsace, France</i>                                       | £10   | £60   |
