## Traditional pub classics

We pride ourselves on using fresh, seasonal British ingredients. Our team of chefs have crafted a menu full of hearty pub classics, from our fish & chips, to our burgers, bangers & mash to homemade pies.

For the best Sunday roast around, pop in, grab a Bloody Mary and we'll do the rest. Tender cuts of meat (and of course veggie options) crispy roasties, fresh seasonal British veg, and lashings of proper gravy, all crowned with a giant Yorkshire pudding, nothing tops it.

On the drinks front, you'll find our two bars, fully stocked with wines from around the world, a huge selection of premium spirits, and of course plenty of beers, both locally brewed and international favourites.

## Plan your Christmas Party

Whether it's a long-overdue catch-up with old friends (the kind that turns into a late one) or the office's big, sparkle-filled celebration, we've got just the spot. From cosy, candle-lit corners to grand, party-ready spaces for up to 150 guests, there's room for every kind of festive gathering.

Think indulgent food, perfectly-paired drinks, and that warm, merry buzz you only get at this time of year — all looked after by our ever-attentive, celebration-loving team. Go on, let's make this Christmas one to remember.
