HAUNTED MASQUERADE DINNER

A night of Masks, Mystery & Seven Acts

Welcome to a candlelit masquerade where nothing is named, yet everything is felt.

Tonight unfolds in seven secret acts — each dish a story, each story a temptation.

You won't see a menu, only clues. Guess the tale before each dish — every right answer earns a glass of wine or 5% off next time.

Be who you wish: the Mermaid, the Bull King, or something in between.

And remember — only True Love's Kiss can break the curse.

Share a kiss for ten seconds, and love shall reward you with dessert.

Let the masquerade begin
