Did you know?

Our menu's paper has a grape past — literally. It's printed on paper made from grape waste, giving those leftover skins, seeds, and stems from winemaking a second life. We love a good comeback story.

(V) = vegetarians, (VE) = plant-based. Some dishes may contain extra ingredients not listed; if you have any allergies or dietary requirements please let us know when you order. We add a discretionary 12.5% service charge — all of it goes to our staff.
