OUR MENUS

Our food and drinks are prepared and cooked in food areas where cross contact may occur. We do not make any "free from" claims or declare that any of our dishes are gluten free. Our allergen information only states allergens if they are an ingredient of a product. To remove dishes that contain an allergen, please select the allergen in the filter.

Where our suppliers have indicated possible cross contact, we declare their "may contain" risks. Our menu descriptions do not include all ingredients. If you want to include dishes that "may contain" the food that you are allergic to, please change the toggle on the allergen section to 'No' before you filter. If you have an allergy or intolerance, please speak to a member of our team before you order your food & drinks. Please speak to a member of staff should you have any concerns or require more information. Adults need around 2000 kcal a day.
