COCKTAILS

BERRIED ALIVE £16

Casamigos Blanco Tequila, Cointreau, Mixed Berries,
Lime, Fever Tree Soda, Mint

A frightfully fresh mix of Casamigos Blanco and juicy berries - bright, bold, and a little bit bloody. Being six feet under has never tasted so good.

JACK'O-RITA £16

Casamigos Reposado Tequila, Casamigos Mezcal,
Ginger liquor, Pumpkin Spice, Apple, Lemon, Cinnamon

This pumpkin trick has plenty of treat! A cozy mix of Casamigos Reposado, pumpkin spice, ginger's zing, crisp apple, and a smoky dash of mezcal. It's sweet, spicy, and just a little bit wicked — like Jack'O Lantern is, and Halloween should be.

HAUNTED HACIENDA £17

Casamigos Anejo Tequila, Popcorn, Angostura Bitters

A wicked twist on the Old Fashioned - Casamigos Anejo meets buttery caramel popcorn syrup for a cocktail that's smooth, spooky, and just sweet enough to lure you in. Think classic sophistication with a Halloween mischief hiding in the shadows.
