

Pub Classics in Covent Garden

From chin dribblingly juicy burgers and crispy cyder battered fish and chips, to classic bangers and mash and succulent Sunday roasts, our menus are bursting with the best pub classics and loved by all our diners.

Our team of chefs have put a modern spin on traditional pub food, and along with the classics we serve an array of stunning snacks and small plates, think pulled beef tacos, spicy chorizo bites, and sharing nachos perfect for sharing.

It's time...

Whether you're clinking pints in cosy-hideaway corners, belting out Mariah in the slightly-too-loud-but-who-cares Records Room, or demolishing a feast so good even Santa would swipe a plate, we've got all your merry-making needs sorted.

From drinks-that-may-get-you-talking-too-much receptions to belt-busting, gravy-slathered feasts, let us handle the fuss while you soak up the gloriously chaotic, laugh-until-you-cry magic of the season in Covent Garden's most unapologetically fun pub.
