Allergen Information

ALLERGY & INTOLERANCE

At The Bear's Head we take food allergens very seriously so if you have an allergy please let us know. We have an allergen list showing all of the 14 allergens legally required that are contained in every dish on our menu. We have strict procedures in place for taking and preparing allergen orders. However, even with considerable efforts we go to, unfortunately we can never 100% guarantee that our dishes will be totally free of allergens. Whilst our vegan/vegetarian/gluten-free dishes contain no meat, animal-derived ingredients or gluten, we cannot always guarantee that the meals will be cooked in dedicated vegetarian/vegan/gluten fryers. Please ask your server for more information.
