THE PARCEL YARD

The Parcel Yard first opened its doors to the commuters of King's Cross in 2014 within the beautifully restored former parcel office of the Great Northern Railway. Located inside the iconic King's Cross railway station, this remarkable space sits within a Grade I listed Victorian building, rich in character and railway heritage. Original architecture features soaring ceilings and expansive arched windows, which create a setting that is both historic and strikingly atmospheric.

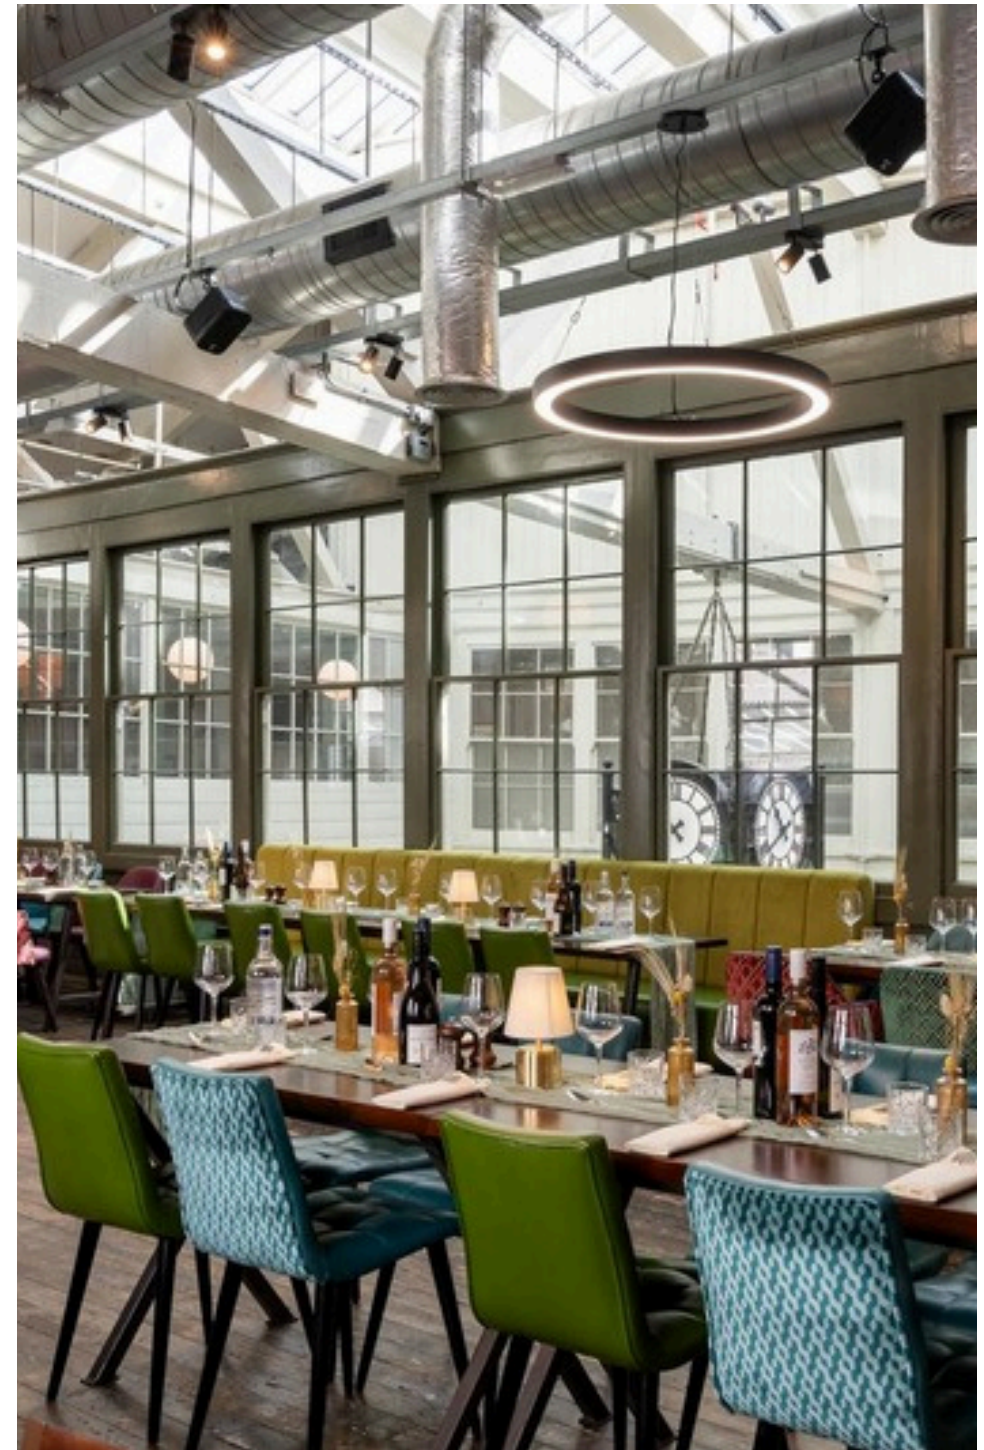

Today, The Parcel Yard is one of King's Cross' most distinctive venues and truly a favourite for everything from relaxed drinks and dining to large-scale events. This unique backdrop has played host to countless celebrations, corporate gatherings and unforgettable moments.

Spanning across two floors, we offer a characterful and versatile setting, combining the best of traditional British pub charm with contemporary design. Indulge in seasonal British dishes, sharing menus and a curated selection of wines, craft beers and cask ales.

Perfect for meetings, corporate parties and any celebration no matter the size, The Parcel Yard also offers flexible layouts and tailored food and drink packages. Located within King's Cross Station, it benefits from excellent transport links, making it a superb meeting point for guests travelling from across London, the United Kingdom and afar.

Embark on your next adventure with us and step into history. Experience the warm hospitality and timeless appeal of The Parcel Yard - a true gem where the past meets the present.
