

DÍON

“rooftop” in Irish

Inspired by the panoramic view that surrounds us, this menu is shaped by Dublin in motion. It tells the stories that unfold in the city below and the sky above.

A 360° journey through Dublin.

DÍON presents a cocktail series that draws inspiration from every point on the compass, reimagining classics with a contemporary, distinctly Irish, flair.

We have woven together techniques, traditions and flavours from around the world to create our signature DÍON twists.
