TESTIMONIAL

“We don’t even know where to start with the Thank you’s! We honestly had the best day ever and can’t stop reminiscing about the day....We wanted to thank you from the bottom of our hearts for all the effort and time you have put into the planning of the day and it certainly went beyond our expectations!....The venue looked magical as we entered and we had so many people saying what a gorgeous venue and pub it was.

There were absolutely no hiccups through out the day, and I loved all the little tables you had set up for the cards, guest booked ect and especially the chalk boards.
The band also said they loved having the stage!”
