All pizzas come with margherita bases unless it says pizza bianca. Please ask the bar if you have any allergies! Gluten-free bases are available for gluten-intolerance rather than coeliacs - as we can't assure there's an absence of flour in our kitchen. ALSO!! If you want to customise. Add jalapeños to your Kevin. Olives to your Margherita. Please do! It's not our pizza. It's your pizza. Love from D4100 XXX
