TESTIMONIALS

"We had a brilliant evening, and your entire team were absolutely fantastic. Everyone was so friendly, helpful and always on hand to support with anything we needed. Do pass on our thanks to all of them."

The room looked fab with all the decorations and everything we asked for had been done. The feedback from everyone that attended was great – a few hadn't been to Market Halls before so I think you're now on a few people's hit lists to come back to the main area!"

"I've had nothing but great feedback from everyone. They loved the casual vibe of the venue and the games went down a storm!"

Thank you once again to you and the entire Market Halls team, you were just wonderful and took all the stress away from the event. We will be back for sure!"

"The team thoroughly enjoyed our Christmas get together with you and feedback has been very positive. Thanks for all your hard work and meeting all our needs and requests, in the planning phase and on the night."

"Thanks for the email and for having us. We had a wonderful time! Quite a few people told me how much they liked the space and the beer pong went down well. Having food options next door was great and I saw many people taking advantage of that."

The staff were helpful and friendly. They helped us set up the TV and sound system, which both worked smoothly. And we were kept up to date on the bar tab."

"I just wanted to say a huge thank you to all of you for such a great event, both during the day and in the evening. It was an absolute pleasure to work with you, and the venue, food and drinks and your entire team were truly excellent. I really appreciate all the support your staff provided."

A special thank you to you and the management team – you truly made my job easy. Nothing was ever too much effort, and as a fellow event manager I know how busy and demanding this work can be. It was incredible working with each of you. Such an excellent team! Thank you!"

"Just wanted to thank you for all your assistance in organising the event as well as everything you and the other staff did on Thursday night for us. It was a lovely event and also really well organised. We look forward to returning to Market Halls in the New Year and will not hesitate in recommending Market Halls to other colleagues that may be looking to host an event in Canary Wharf."
