Whether you're planning an intimate gathering or a full-scale Christmas takeover, Drift Bar and Kitchen delivers an experience that goes way beyond your average festive night out. Here's why we're the one to book.

**THE POD - i360**

This isn't a view as a backdrop; it's the main event. Rising 450 feet above Brighton beach, our exclusive pod offers panoramic views across the city, the South Downs and the winter sea. With the shoreline below and open sky above, guests enjoy an experience unlike any other in Europe in one of the UK's most spectacular settings.

**DINNER & DRINKS**

At the heart of the i360 experience, our seasonal menus range from festive canapés and signature cocktails to full dining experiences for larger groups. Whether guests dine before they ascend or stay long after they land, our team handles every detail so you can focus on the moment.

**SUNDAY ROAST**

Food and drink sit at the heart of the experience. From festive cocktails and sharing plates to full dining options, everything is served around the performance, ensuring you enjoy great service and great entertainment all night long.

# TIME YOUR FESTIVE NIGHT OUT, PERFECTLY.

Christmas is one of the most in-demand times of the year, and our pricing reflects that. Dates are split into peak and off-peak, so whatever your budget or plans, there's a night that works for you.

## OFF-PEAK DATES *The Insider Pick*

Don't let the name fool you. Off-peak dates deliver the full experience, the atmosphere, the occasion, the memories, at a price that leaves a little more room in the budget. Smaller crowds mean a more intimate feel, better availability, and a night that still absolutely delivers. If you're in the know, you book off-peak.

## PEAK DATES *The Big Nights*

These are the hottest dates on the festive calendar. Expect a full house, a buzzing atmosphere, and the kind of night people talk about until February. Peak pricing reflects the demand, and trust us, it's worth every penny.

*Browse the calendar below and find your date, but don't sit on it. Both peak and off-peak nights sell out fast.*
