DRINKS MENU

FARRINGDON • KING'S CROSS
MONUMENT • SHOREDITCH

Our drinks menu is a huge part of our story. Over countless fun-packed staff trips all over Spain, we have visited almost all of the bodegas and cervezerías listed here and met the amazing people behind them.

SPANISH APERITIVOS

The Spanish lead the way when it comes to aperitivos, the perfect drinks to spark your appetite or enjoy with a quick bite. From dry, savoury sherries and beautiful cavas, to crisp G&Ts - there's no better way to start.

DRY SHERRIES

Sherry is regarded by wine experts as one of the greatest wine styles of all. It's a brilliant aperitif and palate cleanser, preparing you for the meal ahead. We think it's the ultimate food matching style of wine, being able to match some dishes that regular wine simply can't. Easy rule of thumb: If it swims, drink Fino; if it flies, drink Amontillado; if it walks or runs, drink Oloroso. Enjoy!
