## GEORGES GOURSAT (SEM)

Georges Goursat, known as Sem, was a French caricaturist famous during the Belle Époque.

Georges Goursat was born and raised in an upper-middle-class family from Périgueux. The wealth inherited from his father at the age of 21 allowed him to sustain a gilded youth.

In 1888, he self-published in Périgueux his first three albums of caricatures, signing some as “SEM”, allegedly as a tribute to Amédée de Noé who signed his caricatures for Le Monde Illustré as “Cham”.
